Today's Featured Temple is

**Healing Gaia Formal Shrine UK
Formal Shrine of Sedna Temple
Chartered 14 March, Year 7 Aquarius**

Shrine Sigil

Healing Gaia Shrine was formed to inform members of the state of Gaia and humanities attempts to heal the earth and protect the endangered species and endangered places threatened by our daily impact on the earth.

There are many ways in which we all can help to clean up the environment. The smallest action will have an impact, so remember to recycle everything you can and keep your local area pollution free.

Join your local cleanup campaign, if there isn't one start one yourself. Try to help Gaia. No matter how small your effort, it makes a difference!

Today's Date in the Wheel of the Year

20 September

Today's Highlights:

Birthday of the Sun, Peru (Inca)

All fires, including the sacred fire of the Temple of the Sun, were extinguished for three days. A priest, using sunlight through a glass and sanctified cotton, rekindled the temple flame, from which all fires in the empire were relit. Animal sacrifices were made, followed by eight days of feasting.

(Compiled with permission)

This and much more can be found in our new group

<http://groups.yahoo.com/group/DeitiesCelebrations/>

We will be posting information here in the Correllian Herald on Mondays and Thursdays for that date. For daily and monthly information on Gods, Goddesses and Celebrations the World over, please feel free to join the group. If you have anything to add to the files they are welcome, too! We look forward to seeing you there!

Heathen Ritual

Waes Hael!

Here is the first article explaining some common elements found in Heathen rituals. This week I will examine: The Hammer Ritual, sometimes known as The Hammer Working.

A Hammer Working is, I think, the closest thing in Heathenry to casting a circle. Certainly in rituals I have done on line which have been a hybrid of Heathen and Correllian I have used it at a similar point in the ritual. First of all I want to look at what a Hammer Ritual actually is and how you do it,; then I want to compare the two ritual elements and the energies contained in both..

A Hammer Ritual invokes the power of Thor's hammer 'Mjolnir'. A Throwing hammer so powerful that even the mighty Thor needs a belt of strength and magic gloves to wield it. It has the additional property of always returning to the thrower's hand. Thor and Mjolnir are the main defence of the Aesir against the Frost Giants and even Loki tends to behave when Thor is about.

The way that the power of Mjolnir is harnessed is through the Thurisaz Rune. You do not need any specialist equipment other than your finger, though it is much more in keeping with a Heathen ritual to use a war hammer or an axe. At a push you could use a sword or seax, or even your athame. (Though what kind of a Heathen are you if you don't own at least one battle axe or sword I don't know!)

Thurisaz

By tracing the shape of Thurisaz at the four Quarters you protect your ritual space from all who may wish you harm. In addition you would trace the rune to the sky and to the Earth. An example of what you could say is:

” By Thurisaz to the North, Thurisaz to the South, Thurisaz to the East, and Thurisaz to the West do I protect this Hearth and all present; By Thurisaz to The sky and Earth. Let these runes stand as a barrier against all who would do any here harm until our ritual be done!”

Comparing a Hammer Ritual to casting a circle: the emphasis with a Hammer Ritual is with protection of your ritual area (which need not be circular) and keeping out unwanted or negative energy. With a magic circle the aim is to mark your area in a similar fashion but rather than keeping negative energy out the aim is to draw positive energy in, for use in the ritual later on.

The Order of Web Weavers Crystal Web Mapping Project

The Order of the Web Weavers has been working diligently on mapping the Crystal Web. If any of you have a crystal that you have added or removed from the Crystal Web contact us to ensure our records are up to date and accurate.

The information we need in order to best catalog your crystal/s is the following. Your Craft Name and E-mail Address along with your City, State, Country, Latitude, and Longitude. Sent to the following e-mail address: wwwcw@correllianorders.info

Please include the above information, if you have removed your crystal from the Crystal Web along with 'Remove' in the subject line. If you have added several crystals then we would need a separate entry for each crystal, unless they are located together. If they are located together then please include how many crystals are at that location.

We are excited about this project and hope that you will be too. Once the crystals have been properly cataloged we can then begin placing them on the map program. This will give us a good visualization on the Crystal Web. Thank you in advance for your participation in this wonderful project.

Bright Blessings,
The Order of Web Weavers
