## Today's Featured Temple is

### Veelawin Witan Shrine, Puebla, México

Shrine Keeper: Rev. Andrea Q Aguilar

Recognition: 6 November, year 6 Aquarius

Shrine Sigil

Veelawin, Witan Shrine of the Correllian Tradition is mainly directed towards Spanish speaking Pagans, of the Mexican Republic.

The Shrine's intention is to provide a place for quality instruction where the language barriers will be eliminated. It is a place where Pagans can evolve, share experiences and different points of view in a harmonious and respectful way.

#### Meaning of Veelawin

*Veela*: Feminine spirits from Eastern European folklore capable of morphing. They live in forests, mountains, lakes and clouds. Their habitual forms are swans, horses, hawks, serpents or wolves; Attractive and dangerous in human form, beautiful long haired maidens that wear cloudy robes and are known for dancing under the moonlight in summer. Young men fall under their spell and lose their minds, becoming numb and forgetting to eat, drink and sleep for days at a time. Those unfortunate enough to see the Veela's dance are forced to join them and dance until they die of exhaustion. Though the Veela can be kind with humans and share their prophetic and healing gifts, they are very temperamental. They do not tolerate being lied to or cheated, and they cause terrible punishments, specially to whoever does not fulfill a promise.

*Win*: An elfin suffix that has two meanings: 1) Damsel and 2) Foam or Mist. We chose this suffix because we believe that Veela was too simple, and can be confused for something else. We decided to add -win, as it goes with the significance of Veela, and sounds better: Veelawin.

## Today's Date in the Wheel of the Year

We will begin by looking at the Month of September. September is named for the number 7, and the seventh month in the old Roman calendar. The Goddess Pomona is the ruling Deity of the month. She is the patroness of fruit and fruit trees.

This is the Irish month of Mean Fomhair and the Anglo-Saxon name was Haligmonath, "holy month". The Franks called it Witumanoth which means Wood Month. In today's Asatru, it is the month of shedding.

And of course, the Moon this month is the Harvest Moon.

From the 2 September until the 29<sup>th</sup>, we are in the Celtic Tree month of Muin, sacred to the God Lugh.

## **The Order of Web Weavers Crystal Web Mapping Project**

The Order of the Web Weavers has been working diligently on mapping the Crystal Web. If any of you have a crystal that you have added or removed from the Crystal Web contact us to ensure are records up to date and accurate.

The information we need in order to best catalog your crystal/s is the following. Your Craft Name and E-mail Address along with your City, State, Country, Latitude, and Longitude. Sent to the following e-mail address: *wwcw@correllianorders.info*

Please include the above information, if you have removed your crystal from the Crystal Web along with 'Remove' in the subject line. If you have added several crystals then we would need a separate entry for each crystal, unless they are located together. If they are located together then please include how many crystals are at that location.

We are excited about this project and hope that you will be too. Once the crystals have been properly cataloged we can then begin placing them on the map program. This will give us a good visualization on the Crystal Web. Thank you in advance for your participation in this wonderful project.

Bright Blessings,  
The Order of Web Weavers
