Changing Management, Policy Changes

Dear Witch School Members, Students, Mentors, Staff and Alumni,

Blessed Be, One and All. We at Witch School International are announcing that as of September 30th, 2015, we will be closing our doors. This will be followed on October 1st, 2015 that WitchSchool.com and several other sites will be under new management. In one month, Witch School will be managed by the Correllian Educational Ministry, a Religious education 501c3, and will continue onward. This will fulfil the original goals of making a global Wiccan and Pagan education possible.

The primary benefit is that Witch School will be able to work directly at providing clergy training in a direct way, working with temple, circles, covens, and communities on a global basis. This allows the continuation of the promise that we need to offer a lifetime of education, because we are all students. BY moving to a fully committed religious education not for profit, it means that the Correllian Education Ministry is fully focused on students' needs.

For lifetime members, our Charter members, this is the continuation of a 15 year promise that continues to go on. This will help maintain and continue to expand our education beyond Witch School, and including Magic TV (ten years old) and Pagans Tonight (6 years old), which have provided thousands of hours of programming and education. Under the Religious education banner, this will be able to continue to grow and expand, seeking out ways to provide a quality education for a lifetime.

For supporting members, you will be automatically transferred over, and there will be no change in how your account operates. For you, this will continue as promised, and provide you with the desired education. This will be as it has been for 15 years, as of September 4th.

For basic members, there will be a change. As of October 1st, 2015 Members will receive one month of free service, and then it will be \$10 per year for basic membership. This will help cover the cost of the providing students an education. . We are looking forward to improving our service and members experience as we continue into the future, as Witch School, Correllian Education Ministry, a 501c3 Religious Education Organization.

To get a membership of your own: <http://www.classes.witchschool.com/payment.asp>
We will be providing more information over the next month. Stay tuned to find out more exciting news.

Blessings
Ed Hubbard
Retiring Chairman, Witch School International, Inc.

Greetings all!

September 4 is Correllian Founding Day. It is the one hundred and thirty-sixth anniversary since Caroline High Correll started what has become the world-wide Correllian Nativist Church.

During that time we have experienced many changes, most notably moving from a small Familial Tradition in the US Midwest to a 501c3 church with members in most of the world's nations and Temples in many.

Today is also the fifteenth anniversary of the founding of Witch School. This is no accident, as Witch School was intentionally started on Correllian Founding Day. Although Witch School has been a separate institution these many years, it has always been important to the Correllian leadership, and we have always seen it as a vital part of our mission in the Turning of the Age.

The world and its creatures are faced by many challenges at this time –some question whether life as we have known it will even be able to continue in the face of climate change and the deliberately destructive behavior of the world's exploiters and polluters. Never has spiritual education and spiritual action been so important to the world's future as now, and never have spiritual people had a more vital role to play. Witch School's "anyone, anywhere, anytime education" is a powerful tool toward building more spiritual people and a more spiritual future for everyone.

Consequently I am pleased to announce on this Correllian Founding Day that Witch School and her related sites will be finding a new home with Correllian Educational Ministries. Correllian Educational Ministries has been created as the educational arm of the Correllian Tradition. On September thirtieth of this year Witch School International will be closing its doors and on October first Witch School, Magic TV, the Pagans Tonight Radio Network, et al, will continue under the not for profit Correllian Educational Ministries, as part of the Correllian Tradition.

This transition is the fulfillment of our promise to you –our promise of lifetime commitment and lifetime education.

This will not change the focus of Witch School, which has always been open to many points of view. However as an official part of the Tradition Witch School will be able to work more directly with Temples and groups in its clergy training programs, and as a not for profit Witch School will be able to focus totally on the needs of the student. Lifetime Members will see no changes and will continue just as they have been. Basic Memberships will continue to be available for a small yearly fee.

To celebrate this change and to celebrate the history of Witch School I would like to request those who have positive stories of their experiences with Witch School to share them. Many people have told me privately that Witch School brought them more than just knowledge –that Witch School brought them personal transformation and renewal, in some cases that it even saved their lives by doing so. Now I ask those who feel they can to share these stories publicly, as a celebration of what has been and an inspiration for what will be.

Blessings to all!

Rev. Don Lewis

Chancellor, Correllian Nativist Tradition

CNT Fundraising Office seeking items for Silent Auction

Greetings fellow Correllians, Witch School members and friends of the Correllian Tradition. Once again, we are preparing for the semi-annual Silent Auction to be held in conjunction with Lustration of the Living Regional Lustrations and the Parliament of World Religions later this year in Salt Lake City, Utah

These semi-annual silent auctions are an important fundraising project as the Tradition will need to have funds to ensure Chancellor Don Lewis attends the Parliament of World Religions being held in Salt Lake City, UT in October 2015. A number of other Correllians are also planning to attend at their own expense, so if you are interested and would like to join them, check out the following link: <https://www.facebook.com/groups/848790758473203/> for details.

As in the past, we come to you as a source for donation of items to be listed on our webpage so individuals from all over the world can bid on and help raise funds to support the Correllian Nativist Tradition. Maybe you have been rooting through your closets and shelves to make room for your newest purchases or hand-crafted items. Items related to our Pagan / Wiccan path have always been popular to bidders each time we hold this event as the energies of the donor and bidder meld together in the family we belong.

Books, statuary, altar tools, jewelry, regalia and such, as well as homemade items / crafts are very popular. Check out some of the past auctions; most recent to oldest at: <http://www.correllian.com/silentauctionspring2015.html>

The Silent Auction will begin in about 4 weeks and be available for worldwide bidding through September 30th. This Silent Auction will be Internet Only – no live bidding.

Those who wish to donate items for this upcoming event, please contact me at cntfundraisingoffice@earthlink.net for the mailing address.

It is only through the generosity of you all, both donors and bidders who year after year make this special event a resounding success!!

Our Last Auction raised over \$1100.00!!

Many Blessings,
Rev. Mike Neal - CNT Fundraising Office

<https://www.facebook.com/groups/848790758473203/> para más detalles.

Como en el pasado, nos dirigimos a ustedes como una fuente de donación de artículos para ser incluidos en nuestra página web, para que las personas de todo el mundo pueden hacer una oferta en y ayudar a recaudar fondos para apoyar la Tradición Correlliana Nativista. Tal vez usted ha estado hurgando en sus armarios y estantes para dejar espacio para sus más recientes adquisiciones o artículos hechos a mano. Los productos relacionados con nuestro camino Wiccano y Pagano siempre han sido populares entre los pujantes cada vez que tenemos este evento, donde las energías del donante y el oferente se funden juntas en la familia a la que pertenecemos.

Libros, estatuas, herramientas de altar, joyería, regalía y demás, así como artículos de fabricación casera / artesanía son muy populares. Echa un vistazo a algunas de las subastas anteriores; de la más reciente a la más antigua en:

<http://www.correllian.com/silentauctionspring2015.html>

La subasta silenciosa comenzará en alrededor de 4 semanas y estará disponible para la puja en todo el mundo hasta el 30 de septiembre. Esta subasta silenciosa será exclusivamente por Internet - no en vivo.

Aquellos que deseen donar artículos para este próximo evento, por favor comuníquese conmigo en el email: cntfundraisingoffice@earthlink.net

Es sólo a través de la generosidad de todos ustedes, los donantes y los postores, que año tras año hacen de este evento especial sea un éxito rotundo !!

Starting a Shrine Order or Correllian Study Group

Personal Shrines: Personal Shrines are a personal expression of faith and are wholly the property and responsibility of the individual Correllian who runs them. Personal Shrines are not considered bodies of the Tradition as such, but are a demonstration of personal piety on the part of an individual member of the Tradition. A Personal Shrine cannot be upgraded!

Formal Shrines: Formal Shrines are Chartered bodies of the Tradition which exist to fulfil a specific spiritual, educational, or charitable purpose.

A Formal Shrine is basically the same as a Personal Shrine: a private worship centre maintained by an individual Correllian Tradition member of Inner Court. The difference is that a Formal Shrine is dedicated to a specific project, event, or program of a social or charitable nature which the Tradition endorses. A Formal Shrine cannot be upgraded!

Witan Shrines: Witan Shrines are the first stage in the Temple-making process. Witan Shrines must fulfill a probationary period of a MINIMUM of one year before being reviewed for Proto-Temple status which is the next stage in the Temple making process.

Correllian Orders: An Order is an association dedicated to the study or practice of a particular subject, such as ecology, healing, music, etc.

Although regarded as an independent body, an Order is formed by a Charter from the Tradition, which may only be granted by the Heads of Tradition through the office of the Chancellor. An Order may be formed around any subject of interest.

Correllian Study Groups: Like Personal Shrines, Study Groups are not formal bodies of the Tradition, but are independent groups run by Correllian members.

Study Groups exist to help students of Correllian Wicca join together to help one another in their studies.

For information on how to start a Shrine Order or Correllian Study Group or for an application form contact the Witan Herald: witanherald@gmail.com

Spanish Wiccan Blog and Pod Cast

Wiccan blog and pod cast in Spanish, 13 lunas (13 moons), created and maintained by Rev. Clara Fuentes (aka Harwe Tuileva), a Correllian priestess from Spain.

The blog seeks to keep Pagans and Wiccans from all the Spanish-speaking countries informed by means of an easy access format, and, of course, for free. Besides, the recent creation of a radio program in the form of a podcast completes this successful project that is currently receiving more than 400 visits per day at its website. The wonderful reception granted by the Spanish-speaking community reflects the need of more information of the Pagan and Wiccan community, which was looking forward to counting on this kind of initiatives in their own language.

The blog can be found at <http://www.13-lunas.com>.

For more information please contact Rev. Harwe Tuileva: harwe1982@hotmail.com

The Order of Web Weavers Crystal Web Mapping Project

The Order of the Web Weavers has been working diligently on mapping the Crystal Web. If any of you have a crystal that you have added or removed from the Crystal Web contact us to ensure are records up to date and accurate.

The information we need in order to best catalogue your crystal/s is the following. Your Craft Name and E-mail Address along with your City, State, Country, Latitude, and Longitude. Sent to the following e-mail address: wwwcw@correllianorders.info

Please include the above information, if you have removed your crystal from the Crystal Web along with 'Remove' in the subject line. If you have added several crystals then we would need a separate entry for each crystal, unless they are located together. If they are located together then please include how many crystals are at that location.

We are excited about this project and hope that you will be too. Once the crystals have been properly catalogued we can then begin placing them on the map program. This will give us a good visualization on the Crystal Web. Thank you in advance for your participation in this wonderful project.

Bright Blessings,

The Order of Web Weavers

Order of Peace Weavers

The Order of Peace Weavers was created to provide members of the Correllian Tradition with the means of gathering together to collectively promote the weaving of peace into the fabric of society through meditation, prayer, Reiki, visualization, spell working, ritual, creative writing, intentional art and music, and other positive energy work and light work, with harm to none, and for the highest good of all concerned.

The motto of the Order of Peace Weavers is: "Be Peace, Live Peace, Send Love, Weave Peace." We hold a monthly 15 minute group peace meditation on the first Wednesday of every month and would love to have more join us to promote peace.

The Order of Peace Weavers is a chartered order of the Correllian Tradition. Membership is by invitation or application and is open to Inner and Outer Court members.
