## CNT 50/50 Auction

Here is how it will work:

The first week of each month you will have the opportunity to add something you wish to sell into the Facebook Group. You will need to post a photo or photos and include a description of the item, including approx. size and whatever best serves to describe the item, including a starting bid and the price to mail to the U.S. (also Canada, Mexico and International) similar to what is offered during the Silent Auctions, if you choose. Likewise, our non-U.S. members can quote prices to mail within their country and or to Canada, Mexico and the U.S. You will have access to the Facebook group prior to the first week of each month to allow you to set things up.

Bidders will contact me with their bid, either via email windy0716@aol.com or message me through Facebook and you will be assigned a bidder ID that can be used each month. To protect your identity, I will post bids on your behalf as requested for the duration of each month's auction.

At the conclusion of the auction, bidding ends and the winning bidder will then send the full amount of the winning bid, plus the full mailing fee to the email account of windy0716@aol.com Paypal. Upon verification that the bidder has received the item or service, I will then transfer the monies to the Correllian Nativist Traditions, Paypal account and the other half to the person who placed the item up for auction plus the mailing fee.

If you sell on Etsy or have their own websites, this will give you an opportunity to not only sell your product and help the Tradition, but also is an excellent marketing tool to include your website so bidders can also see your other products.

So take a look around your home for things you no longer want and consider selling them on the CNT 50/50 Auctions Facebook Group:

## A SPIRITUAL WAR FOR PEACE

Please join the members of the Contemplation Temple each month for the global rolling peace Prayer.

Please say the Correllian Peace Prayer or one of your own on the 22<sup>nd</sup> day of each month at 9pm your time.

Join in on the 'Correllian Spiritual War for Peace'

### Prayer for Peace

Offer a brief prayer for peace, while imagining the sigil strongly. Meditate on thoughts of peace, love, and healing, focusing these energies into the sigil. As you do this, imagine the spiral circling inward, integrating the energy into the sigil. When you have sent all the energy that you comfortably can, give thanks and allow the image of the sigil to fade. Make

sure to clear and release afterward.

The Correllian Peace Sigil is connected to the Crystal Web enabling peace energy to spread across the world.

### Correllian Peace Prayer

I pray for Peace

I pray for Love

I pray for Stability

I pray that Love may overcome Fear

And I send energy of Love and Peace

For all people of the World

I create it, I accept it, and I receive it

By my will so mote it be!

If you have participated in the rolling peace prayer each month and would like to add your area to the rolling peace prayer map please email your country and area to:

## **Blessings Campaign**

Join the 'Blessings Campaign!' All Traditions welcome.

This campaign is a great opportunity to work with many Traditions spreading blessings across the land!

### **Blessings Campaign Facebook Group:**

<https://www.facebook.com/groups/952892624826309/>

### **Purpose:**

The main message we are presenting to the world is, Pagans are growing in number and spirit across the earth. There are individuals that have never heard there is yet another way among many ways to live and this is just one.

To give offerings to the earth - To imbue blessings to all who read the messages - To inform the world we are here.

### **Implementing Blessings to the Physical World**

Leave a positive message behind where ever we go. Write a message on something organic, i.e. a stone, leaf, shell or rice paper are just a few examples.

### **Messages:**

Our main message is "Pagan Blessings," because it says everything in just two words!

Other suggestions are:

A Pagan just past By

A gift for you from a caring Pagan

Pagans giving to the World

A Pagan gift for you!

A Pagan offering for you!

I offer you Blessings from the Goddess

A Pagan brings this message to you: "You are forever!"

Pagans are here to heal.

### **Regarding Proselytizing**

If someone has a concern about proselytizing; reassure him we are not inviting anyone to be part of anything, if receivers are curious they know how to secure information regarding Paganism.

### **Who Can Join:**

Everyone! This campaign is open to all except trolls or folks selling items or services.

### **How Do I Join?:**

You join by leaving your messages behind where ever you go. Naturally be considerate by where you leave your messages. This is why rice paper is good because it dissolves quickly. Stones are excellent because they are not litter, if left in an appropriate location.

Though not mandatory, you are welcome to join the Blessings' Campaign Group. There you will find many great ideas, plus great people. There are recipes for seed paper, organic paint, and moss art.

### **Starting a Shrine Order or Correllian Study Group**

**Personal Shrines:** Personal Shrines are a personal expression of faith and are wholly the property and responsibility of the individual Correllian who runs them. Personal Shrines are not considered bodies of the Tradition as such, but are a demonstration of personal piety on the part of an individual member of the Tradition. A Personal Shrine cannot be upgraded!

**Formal Shrines:** Formal Shrines are Chartered bodies of the Tradition which exist to fulfil a specific spiritual, educational, or charitable purpose.

A Formal Shrine is basically the same as a Personal Shrine: a private worship centre maintained by an individual Correllian Tradition member of Inner Court. The difference is that a Formal Shrine is dedicated to a specific project, event, or program of a social or charitable nature which the Tradition endorses. A Formal Shrine cannot be upgraded!

**Witan Shrines:** Witan Shrines are the first stage in the Temple-making process. Witan Shrines must fulfil a probationary period of a MINIMUM of one year before being reviewed for Proto-Temple status which is the next stage in the Temple making process.

**Correllian Orders:** An Order is an association dedicated to the study or practice of a particular subject, such as ecology, healing, music, etc.

Although regarded as an independent body, an Order is formed by a Charter from the Tradition, which may only be granted by the Heads of Tradition through the office of the Chancellor. An Order may be formed around any subject of interest.

**Correllian Study Groups:** Like Personal Shrines, Study Groups are not formal bodies of the Tradition, but are independent groups run by Correllian members.

Study Groups exist to help students of Correllian Wicca join together to help one another in their studies.

For information on how to start a Shrine Order or Correllian Study Group or for an application form contact the Witan Herald: [witanherald@gmail.com](mailto:witanherald@gmail.com)

### Spanish Wiccan Blog and Pod Cast

Wiccan blog and pod cast in Spanish, 13 lunas (13 moons), created and maintained by Rev. Clara Fuentes (aka Harwe Tuileva), a Correllian priestess from Spain. The blog seeks to keep Pagans and Wiccans from all the Spanish-speaking countries informed by means of an easy access format, and, of course, for free. Besides, the recent creation of a radio program in the form of a podcast completes this successful project that is currently receiving more than 400 visits per day at its website. The wonderful reception granted by the Spanish-speaking community reflects the need of more information of the Pagan and Wiccan community, which was looking forward to counting on this kind of initiatives in their own language.

### **The Order of Web Weavers Crystal Web Mapping Project**

The Order of the Web Weavers has been working diligently on mapping the Crystal Web. If any of you have a crystal that you have added or removed from the Crystal Web contact us to ensure our records are up to date and accurate.

The information we need in order to best catalogue your crystal/s is the following. Your Craft Name and E-mail Address along with your City, State, Country, Latitude, and Longitude. Sent to the following e-mail address: *wwwcw@correllianorders.info* Please include the above information, if you have removed your crystal from the Crystal Web along with 'Remove' in the subject line. If you have added several crystals then we would need a separate entry for each crystal, unless they are located together. If they are located together then please include how many crystals are at that location.

We are excited about this project and hope that you will be too. Once the crystals have been properly catalogued we can then begin placing them on the map program. This will give us a good visualization on the Crystal Web. Thank you in advance for your participation in this wonderful project.

Bright Blessings,

The Order of Web Weavers
